The MANAGER'S OPINION

with **BRIAN MILLER**

Despite the growing popularity of other competitions introduced since the 1960s, the F.A. Cup still retains that special magic for soccer fans.

And this afternoon, we are happy to welcome the chairman, directors, manager Phil Neal, his players and a large following of Bolton Wanderers fans to Turf Moor for what is sure to be one of the best matches in this first round of the 1987-88 competition.

When the draw was made a few weeks ago, I felt it was the plum tie of the lot and for us a very welcome change after being called upon to travel at this opening stage of the tournament in each of the previous three seasons.

On each occasion it was a new venture for this club to face non-league opposition in Penrith, Nuneaton and then Telford in that order and while successful against Penrith and Nuneaton, we failed at Telford who went on to reach the third round and distinguished themselves before going out to Leeds United.

Non-league teams obviously contribute to the glamour of this competition, but most managers of league clubs prefer to face opposition we are more familiar with and I am sure Phil Neal, like myself, and both teams would prefer it as it is this afternoon facing the known rather than the unknown.

Wanderers, relegated to the Fourth Division last season for the first time in their history, are making a bold bid to go straight back and their recent results have been most impressive.

Ours haven't and I feel the past three games have not revealed the form which I know our players are capable of.

Against Stockport, in our last home match, we lost the incentive of going to the top of the division and, in the end, we were glad to grab a point after failing to show enough imagination or skill against a team whose away record should have been a warning to us.

At Halifax, despite a tremendous following and great backing, we got only one goal from a host of chances we created while Halifax scored from two half chances. We had nobody to blame but ourselves there.

Last Saturday, at Wolverhampton, we expected it to be a tough task and it certainly was but our defence did a magnificent job at least for 70 minutes. I felt we didn't perform well enough in support of our defence and, in that last 20 minutes, Wolves powerful finishing paid off for them.

Now, as a break from the league programme, we have to recapture the sort of approach which brought us successive victories in Devon against Exeter City and Torquay.

STEVE GARDNER

Steve Gardner joined Burnley just before the start of the 1987-88 campaign after playing for Manchester United, mostly in their central league team. Made a very promising Burnley debut during the Lancashire Manx Cup in the centre of defence alongside skipper Ray Deakin.

Steve, your arrival at Burnley from Manchester United came in a roundabout way.

Yes, after being given a free transfer by United at the end of last season, I was invited to join Everton for a number of pre-season games in Holland and then I went up to Sunderland for a couple of weeks but I wasn't happy there.

What made you finally come to Burnley?

I suppose United's Youth Development Officer, Joe Brown, was in some way the reason. As a former Burnley player and manager he still has a high regard for this club, but it was under coach Eric Harrison that I graduated to United's A team after joining them on schoolboy forms in 1982.

Which games with United teams stand out in your memory?

The biggest game I played in while Ron Atkinson was manager there was in a testimonial match at Leeds for Peter Lorimer.

But the most memorable games for me were the two F.A. Youth Cup finals against Manchester City in 1986. We played a 1 - 1 draw at Old Trafford but in the second leg at Maine Road they won 2 - 0 to take the cup 3 - 1 on aggregate. That was a bitter disappointment for the rivalry is just as intense at that level as it is whenever the senior sides meet.

Your first appearance for Clarets was in a Burnley - Blackburn Rovers "derby". What was that like?

Much the same rivalry between the fans, but Burnley's were the ones celebrating after a 2 - 1 win.

Which other games have stood out for you after signing as a professional for Clarets?

The 3 - 0 Littlewoods Cup win over Wrexham and the two games against Norwich in the following round, plus, of course, those successive visits to Devon where we won against Exeter and then Torquay.

Have you settled here?

Yes, the lads are a great bunch. I'm getting married to Maria next July and we are both happy about being attached to Burnley as a town and as a club.

At the end of it all Burnley were relegated and Sunderland stayed up, Notts County were promoted and Newton Heath stayed down.

Burnley's points in the 2-1 win against Everton at Turf Moor on 10th October, 1896, completed 200 in 8 years of League Football.

One of only 6 wins this season was 3-0 at Villa Park on 2nd January, 1897, against the eventual champions. The only other away win was 2-1 at Liverpool on 27th March 1897 completing the only 'double' of the season, Burnley having beaten Liverpool 4-1 at Turf Moor on Boxing Day, 1896. Wilf Toman made his Burnley debut and scored in this match. Toman went on to score 32 goals in 63 games for the club, one of few Burnley players to average better than a goal every other game. Toman represented the football league against the Scottish league in 1898/99 before his transfer to Everton. One of the Burnley stalwarts of those days, James Hill, played his 151st and last league game for the club against Sheffield Wednesday at Turf Moor on 19th December, 1896. He was the first Claret to complete 150 league appearances in a career stretching back to January 1890. He scored a total of 33 league goals.

A Warm Welcome to...

This afternoon sees the 1st round of the F.A. Cup with our near neighbours Bolton Wanderers visiting Turf Moor in one of the ties of the round.

Wanderers come into this game currently lying third in the fourth division, following a 1-0 home win over Leyton Orient last Saturday, a victory that extended their unbeaten run of six games thanks to a John Thomas goal, his eighth of the season, since being signed in the summer from Preston.

Ex-Claret Derek Scott will be returning to Turf Moor, whilst Burnley have no less than three ex-Bolton players, Ray Deakin, Steve Taylor and George Oghani.

Spotlight on the Manager

PHIL NEAL, as a player competed in over 700 games with Northampton, 11 years at Liverpool and at Bolton. He's won a record eight League Championship medals, 50 England Caps plus League Cup/Milk Cup winners medals.

The Players

Goalkeeper **DAVID FELGATE** is in his second spell with the Wanderers, a £16,000 signing from Grimsby. The former Welsh international was a regular at Lincoln before joining the Mariners. The defensive roles are competed for by **JULIAN DARBY**, a Bolton-born former England schoolboy who broke onto the scene in March 1986. Can also play midfield. **MARK CAME** joined Bolton from Winsford United as a promising non-league player in April 1984. This solid central defender has been a regular in the first team squad since. **DAVE SUTTON** started his career at Plymouth, before helping two promotion winning teams at Huddersfield. Moved to Bolton for £12,000 in the summer of '85. In **DEAN CROMBIE** the Wanderers have acquired a very experienced defender during the close season. Dean was signed on a 'free' from Grimsby where he made over 350 appearances. 'Mr. Versatile' is what they call **DEREK SCOTT**. Joined the Wanderers from Burnley in June '85 for £20,000. This former England schoolboy international played in almost every position during his 11 seasons at Turf Moor. Completing the defensive squad is **MARK WINSTANLEY**, a promising youngster who made his debut at Bournemouth in March 1986.

In midfield we have **GARY HENSHAW**, another 'free' signing from Grimsby Town where he started as an apprentice and completed five seasons. **WARREN JOYCE** made his debut for the Wanderers in the Second Division in April 1983. This energetic, enthusiastic all-rounder won honours as a schoolboy at cricket and rugby before turning to a career in football. Peterborough United offered £30,000 for the midfielder during the summer. **STEVE THOMPSON** is a talented midfield player with a powerful shot. He is a penalty spot specialist, and a Bolton regular four years after graduating through the junior ranks. Bolton fans are pleased at the return of **JEFF CHANDLER**, a £30,000 close season signing from Derby County, whom he helped gain promotion to the First Division. Jeff can operate in midfield or on the left flank. Kicked off his career at Blackpool and had a spell with Leeds United before joining Wanderers initially in 1981 in a £40,000 transfer.

Up front is big London-born striker **TREVOR MORGAN** who has played more than 300 games in a career which started at Bournemouth and took him to spells with Mansfield, Bristol City (twice), Exeter and Bristol Rovers to whom Phil Neal paid £20,000 during the close season. It cost Wanderers £30,000 to bring front runner **JOHN THOMAS** to Burnden Park five years after he left the Club to join Chester. Proved a prolific goalscorer on his travels which included successful spells at Lincoln and Preston where he scored 28 goals last season. An anonymous benefactor is sponsoring

the fourth return of **NEIL WHATMORE** to the Club, where he started as an apprentice. During nine seasons he saw Bolton promoted from Division 3 to Division 1 before joining Birmingham in 1981 for a record £340,000 fee. Had spells with Oxford United, Wanderers (twice on loan) and Burnley before joining Mansfield with whom he won a Freight Rover Trophy winners medal last term. Striker **STEVE ELLIOTT** cost Bolton £25,000 from Walsall. Started his apprenticeship at Notts. Forest before moving to Preston and then at Luton. Came to prominence at Deepdale after £95,000 transfer. Scores goals himself but is also regarded as provider for his colleagues. This is Steve's second season after making his Bolton debut against Swindon last term.

PROGRAMME PARADE

Burnley resisted the temptation to increase the price of their programme for the 1962-63 season, keeping it at 4d.

The season opened at Turf Moor on August 18th, when Everton were visitors. Although the cover had not changed from the previous season, inside the opening programme of the season included two Burnley team groups, one at Wembley from the F.A. Cup, also included was a message from chairman Bob Lord, and skipper Jimmy Adamson. These were in addition to the usual features that had appeared in the last two season's programmes.

Jimmy Adamson was absent from the Burnley line-up due to injury as the Clarets team was: Blacklaw, Angus, Elder, Joyce, Cummings, Miller, Connelly, McIlroy, Pointer, Robson and Harris. Burnley got off to a disastrous start losing 3-1.

It was to be a season of change with Tommy Cummings retiring, Jimmy Adamson and Jimmy Robson figuring less often in the first team, new players were brought in such as Andy Lockhead, John Talbot, David Walker and Arthur Bellamy. It was in early February that the biggest change of all took place after an F.A. Cup defeat at Liverpool Jimmy McIlroy was placed on the transfer list and subsequently transferred to Stoke City. The town went into a state of shock, weather wise it had been one of the worst winters for many years but the sale of McIlroy became the main topic of conversation in pubs, clubs, shops and homes.

Burnley's first league game of 1963 was not played until March 2nd. Despite all of the upsets Burnley ended the season with three consecutive wins to clinch third place in Division One, whilst in the Central League, Burnley Reserves were champions for the second consecutive season.

Twenty-two league and cup programmes were issued for home matches, there were also a further two issues for games against Birmingham City and West Bromwich Albion that were postponed, there was also a special programme for Colin McDonald's testimonial game against an international XI.
